12. The premises shall always be kept clean & the company staff shall not be disturbed by the contractor's labourers while working at site.
13. Price adjustment clause is not applicable to this civil term contract. Mobilisation advance shall not be paid by Air India Ltd. on any account.
14. Air India Ltd. reserves to itself the right to accept or reject any tender either in part or in whole without assigning any reason for doing so & does not bind itself to accept the lowest or any tender.
15. The contractor shall adhere to the rules, regulations & instructions of Security Dept. of Air India Ltd., CISF and MIAL security at the airport premises. The contractor should also ensure that the workers do not loiter anywhere in the building other than the work site. Any action taken by Security Departments against the defaulters shall be contractor's responsibility.
16. **POLICE VERIFICATION** : The Contractors who have been awarded the job through Work Order shall furnish necessary Police Clearance Certificate in respect of character and antecedents of all Contract Labourers engaged by them, before commencing the work at site.

ADDITIONAL CONDITIONS

This will be a part of Contractual Agreement, as the entire Airport including non – operational area of Air India Complex has been declared as “**Prohibited Area**”. All such Contractors who would be awarded contracts are required to comply with the above requirements.

Contractors shall obtain such Police Clearance Certificate from Mumbai Police, available against a nominal fee per Certificate and they will submit this Certificate giving Work Order reference on it, to the Office of the Engineer in charge of Properties & Facilities Dept., to be forwarded to our Security Department and BCAS, along with request for issuance of Entry Passes. After obtaining recommendation from the Security Department these applications are required to be submitted by the applicants to BCAS office, Mumbai for their processing and issuance.

Further, these passes (Air India & BCAS) should be handed over to EIC, P&FD after the completion of the contract period. The usage of these BCAS passes shall be at the discretion of Air-India Official and Contractor shall have no say on the matter.

As per BCAS, Mumbai, permanent employees of the company and the Casual Labours / Trainees / Contractor workers who require a temporary Airport Entry Pass will now be issued AEP in the form of laminated card. A fee of Rs.50/- in the form of Demand Draft in the name of RPAO, CAD, Mumbai is required to be paid along with Airport Entry pass applications.

In the event of Loss of either the Temporary or Computerised Airport Entry Pass, a fee of Rs.500/- (Five Hundred Only) will be charged by BCAS authority.

Contractor shall get acquainted with online registration procedure of MIAL for obtaining security passes in the operational area of CSI Apt, Mumbai & their rates shall include additional cost of necessary fees to be paid to MIAL & or any other regulatory bodies.

17. **E – MAIL ID & Mobile Phone No:** It is mandatory on part of the contractor to inform E – mail ID and mobile phone no. of his/their firm or of any authorized representative of his / their firm for effective communication while contract is on. This E – mail ID & mobile phone no. shall be submitted latest by date of award of contract. Contractor shall provide the above details to all concerned Air India for every areas/premises for necessary contacts and for better co-ordinations.
18. Following amendment is to be added to the Conditions of Contract after Para 20.7.0 Page No. 15 :

ADDITIONAL CONDITIONS

20-8-0 -- It shall be the Contractors obligation to comply with all applicable statutory requirements including in particular relating to minimum wages and the dearness allowance and emoluments payable to the employees. It shall be the Contractor's responsibility to furnish each month to Air India Ltd. due compliance of all statutory requirements.

20-9-0 -- In the event of Air India incurring any liability by reason of any lapse and / or omission on the part of the Contractor, the Contractor shall, from time to time, and at all times, indemnify and keep indemnified Air India against all such liability including the cost thereof on Attorney and client basis.

19. The clause no : 77 for water supply, the sewerage charge has been revised as 0.35% and water charge has been revised as 0.65% making the total water + sewerage charges amounting to 1% of tender cost i.e. the total remains unchanged)

20. **Purchase Preference Policy for PSE** : Preference shall be given for Products & Services offered by Public Sector Enterprises ” as per prevailing orders of Govt. of India.

21. Every activity in connection with the subject work shall be carried out necessarily with the prior permission of sectional in-charge of the premises where the work is being carried out.

22. Descriptions given in the Schedule of Quantities are only generally indicative of the type of work intended to be executed. Likewise, the quantities given in the Schedule should not be considered to be precise and are meant merely as a guide to the bidders and are liable to vary according to the exigencies of work. It must be clearly understood that the Contractors before quoting, have fully acquainted themselves with the intent of:-

- (i) Contract Administration Pro Forma
- (ii) Conditions of Contract (To be referred to on our web site under Tenders> PFD Manuals)
- (iii) Additional Conditions
- (iv) Specifications (To be referred to on our web site under Tenders> PFD Manuals)
- (v) Additional Specifications
- (vi) Bill of Quantities
- (vii) Declaration

ADDITIONAL CONDITIONS

23. The bidder is advised to sign the tender conditions and the person authorised to sign the tender should sign on all important pages including (i) Contract Administration Pro Forma, (ii) Additional Conditions, (iii) Additional Specifications, (iv) All pages of Schedule of Quantities & (v) Declaration Form.
24. Contractors are required to procure adequate numbers of safety harness, helmets, shoes, hi – visibility vests etc. duly approved by EIC before commencement of work at their own cost and provide them to his contract workers on duty.
25. Stacking and storing of dismantled serviceable materials shall be the responsibility of the contractor. In case of any loss or damage, contractor shall compensate to Air India Ltd.
26. Debris is to be dumped at designated places only, at the end of the day's work. The contractor will not be allowed to dump the debris near the work in progress. If the contractor could not remove the debris within 7 days out of Air India premises, same will be carried out by Air India at the contractor's risk and cost. The amount will be recovered from the contractor's bill towards the expenses incurred by Air India to do the same.
27. Contractors may please note, that in case of deviation in the item or use of materials other than specified under instructions of EIC (Allowed due to non-availability or otherwise) same shall be dealt in rates as under:
"Difference in the cost of materials specified and actually used including taxes plus 20% overhead & profits (on the difference in cost of materials) shall be deducted from quoted rates in case of used material cost is lower than specified or paid extra in case of cost of materials are on higher side than specified as the case may be".
The labour cost if extra or on lower side, shall be dealt similarly.
28. The contractor shall submit "Workmen Compensation Policy" as per the Workmen Compensation Act 1923 & its Amendments, for all workers under this contract, with appropriate wages of workers and the height at which the work is to be executed. The validity of the policy shall be the contract period plus period of extension, if delayed due to any reason and Defect Liability Period. The Policy Proposal Document is to be submitted to the EIC and contractor has to amend the policy proposal as per the instructions of the EIC. Workmen Compensation Policy submitted without the consent of the EIC will be treated as invalid and any delay on this account will be at contractor's risk and cost.

Tender No. : PF/C/02/18 Date: 20.02.17

ADDITIONAL CONDITIONS

29. The contractor shall submit "Contractor's All Risk Policy" with a policy value equivalent to the amount of work order of this work, with Air India Ltd. as the 1st Policy Holder name and contractor's name as the 2nd Policy Holder. The validity of the policy shall be the contract period plus period of extension, if delayed due to any reason and Defect Liability Period. Work shall be started only after submission of Workmen Compensation Policy & Contractor's All Risk Policy.

30. Contractor has to maintain separate daily consumption registers of materials like cement, polymer, concrete admixture, additive, etc., as per the approved format of EIC, without any extra cost to Air India. These updated registers are to be submitted to EIC or his authorised representative on daily basis.

I / we hereby declare that I / we have read and understood the additional conditions and here by agree to abide by them.

SIGNATURE OF BIDDER WITH THE RUBBER STAMP

Tender No. : PF/C/02/18 Date: 20.02.17

Sub: Providing & fixing APP modified bitumen membrane waterproofing and related civil works on terrace of Suraksha Bhavan and other offices at OAP, Santa Cruz (E), Mumbai-29.

ADDITIONAL SPECIFICATIONS

The list (in alphabetical order) of approved manufacturers and their approved brand names of Mineral Finished APP modified Bitumen Membrane, to be used under this contract, are given below. Work is to be carried with only one out of the three approved brands.

1)	M/s Pidilite Industries Ltd.	Dr. Fixit Torchshield AM 3160 (mineral finished)
2)	M/s Sika India Pvt. Ltd.	Sika WP Shield – 103 PM (mineral finished)
3)	M/s STP Ltd.	Super ThermoLay (mineral finished)

The samples shall be tested for the properties like Softening Point, Penetration @ 25⁰ C, Water Absorption, Heat Resistance, Tensile Strength (Longitudinal & Transverse), Elongation (Longitudinal & Transverse), Tear Strength (Longitudinal & Transverse), etc, before procurement of material and the same shall be got approved by the EIC. The test results shall match with the Technical Data Sheet of the respective manufacturers. One test shall be carried out per every lot received at site or per every 1000 sq. m., whichever is lower, at contractor's risk and cost. In lieu of testing in an approved lab, manufactures' test certificate also will suffice. The work shall be got done through the approved applicator of manufacturer / their authorised representative of membrane.

The bitumen primer shall conform to IS 3384 or as per specifications of membrane manufacturer. The bitumen primer shall have a density of 0.87 to 0.89 kg. / litres at 25⁰ C and its viscosity shall be 70 – 160 cps.

The surface to be waterproofed shall be cleaned completely and shall be free of dust, oil, protruding nails etc. A coat of bitumen primer shall be applied to the cleaned surfaces @ 0.20 to 0.30 litres / sq. m. The primer shall be allowed to dry completely before application of the membrane.

Tender No. : PF/C/02/18 Date: 20.02.17

ADDITIONAL SPECIFICATIONS

Membranes shall be fixed by torch welding by trained / experienced applicator. The membrane rolls shall be lined up and spread open over the area to which they are to be fixed. The rolls shall be laid so that the next overlaps the first by at least 10 cm. along the side lap and end laps shall be a minimum of 15 cm. The membrane shall be rolled back without changing the given orientation. They shall be unrolled once again while torching / heating the underside sufficiently to cause surface melting. The membrane shall be pressed firmly to have sufficient bond with the surface without any air entrapment. Uneven or excessive heating shall be avoided. The sheets fixed by under / over heating, in the opinion of the EIC, shall be removed and new sheets shall be provided at no extra cost.

The lap joints shall be heated from top to produce a thin bead of molten bitumen at the seam, which shall be smoothed out with the trowel, ensuring a properly welded joint. All angles and abutments shall be sealed with extra care to ensure full bondage.

Grooves shall be made on all exposed edges (*wherever sheets are to be fixed in an upward direction*) and membranes shall be sealed well into the grooves at no extra cost.

I / we here by declare that I / we have read and understood the Additional Specifications and here by agree to abide by them.
