Tender No: PF/C/07/05 dated 10/7/2017.

Sub : Civil and Interior work for CPCS project at Ground floor in Old Operation Bldg, OAP, Santa Cruz-E, Mumbai-29.

ADDITIONAL CONDITIONS

1. Bidders should quote their rates of individual items and for rebate offered in figures as well as in words. If the rates are not quoted in words in addition to figures, such tenders will be rejected. Incomplete quotation in any form shall be rejected.
2. The conditions, as per Air India Standard Booklet, “Conditions of Contract” and Standard Specifications (Air India Ltd.) Volumes - I, II & III are both applicable and may please be perused by the bidders, in Admin Office of P&FD, before submitting the quotation. Copies can be purchased, if desired. Also the specifications attached with this tender folder are also applicable.
3. Intending bidders are advised in their own interest to visit the site of work and familiarise themselves with the site conditions before submitting their quotations.
4. Rates for all items must cover the cost of all appropriate materials, all taxes including GST as applicable, labour, machinery, scaffolding, tools and plants and all appliances including safety harnesses whatsoever necessary for the complete execution of the work.
5. The contractor will not be entitled for any compensation due to enactment of any law regulation / taxes etc. on account whether the same is / are enforced by State / Central Govt. during the tenure of the contract. Air India will not entertain any claims whatsoever in this respect. The contractor’s rates should cater for the same.

6. The quoted rates shall be inclusive of all applicable taxes including GST. The bill / invoice for the work should have GST number printed or stamped on it.
7. The premises shall always be kept clean & the company staff shall not be disturbed by the contractor's labourers while working at site.
8. Price adjustment clause is not applicable to this civil term contract. Mobilisation advance shall not be paid by Air India Ltd. on any account.
9. Air India Ltd. reserves to itself the right to accept or reject any tender either in part or in whole without assigning any reason for doing so & does not bind itself to accept the lowest or any tender.
10. The contractor shall adhere to the rules, regulations & instructions of Security Dept. of Air India Ltd., & CISF and MIAL security at the airport premises. The contractor should also ensure that the workers do not loiter anywhere in the building other than the work site. Any action taken by Security Departments against the defaulters shall be contractor's responsibility.
11. E – MAIL ID & Mobile Phone No: It is mandatory on part of the contractor to inform E – mail ID and mobile phone no. of his/their firm or of any authorized representative of his / their firm for effective communication while contract is on. This E – mail ID & mobile phone no. shall be submitted latest by date of award of contract.
12. Following amendment is to be added to the Conditions of Contract after Para 20.7.0 Page No. 15 :

20-8-0 -- It shall be the Contractors obligation to comply with all applicable statutory requirements including in particular relating to minimum wages and the dearness allowance and emoluments payable to the employees. It shall be the Contractor's responsibility to furnish each month to Air India Ltd. due compliance of all statutory requirements.

20-9-0 -- In the event of Air India incurring any liability by reason of any lapse and / or omission on the part of the Contractor, the Contractor shall, from time to time, and at all times, indemnify and

keep indemnified Air India against all such liability including the cost thereof on Attorney and client basis.

13. The clause no : 77 for water supply, the sewerage charge has been revised as 0.35% and water charge has been revised as 0.65% making the total water + sewerage charges amounting to 1% of tender cost i.e. the total remains unchanged)
14. **Purchase Preference Policy for PSE** :Preference shall be given for Products & Services offered by Public Sector Enterprises ” as per prevailing orders of Govt. of India.
15. Various work permits for working at height, hot jobs, electrical supply, welding job, as applicable for the job with reference to safety precautions will have to be obtained from the regulatory sections of MIAPL and Air India Ltd., before starting various works.
16. Every activity in connection with the subject work shall be carried out necessarily with the prior permission of Engineer-in-Charge or his representatives.
17. Stacking and storing of dismantled serviceable materials shall be the responsibility of the contractor. In case of any loss or damage, contractor shall compensate to Air India Ltd.
18. Descriptions given in the Schedule of Quantities are only generally indicative of the type of work intended to be executed. Likewise, the quantities given in the Schedule should not be considered to be precise and are meant merely as a guide to the bidders and are liable to vary according to the exigencies of work.

It must be clearly understood that the Contractors before quoting, have fully acquainted themselves with the intent of:-

- (i) *Conditions of Contract*
- (ii) *Additional Conditions*
- (iii) *Schedule of Quantities*
- (iv) *Declaration*

19. The bidder is advised to sign the tender conditions and the person authorised to sign the tender should sign on all important pages including (i) Additional Conditions (ii) Last Page of Schedule

of Quantities & (iii) Declaration Form and wherever required as stated in the Tender Documents.

20. Contractors are required to procure adequate numbers of safety harness, helmets, shoes, hi – visibility vests etc. duly approved by EIC before commencement of work at their own cost and provide them to his contract workers on duty.
21. Debris to be dumped at designated places only, at the end of the day's work. The contractor will not be allowed to dump the debris near the work in progress. If the contractor could not remove the debris within 7 days out of Air India premises, same will be carried out by Air India at the contractor's risk and cost. The amount will be recovered from the contractor's bill towards the expenses incurred by Air India to do the same.
22. Contractors may please note, that in case of deviation in the item or use of materials other than specified under instructions of EIC (Allowed due to non-availability or otherwise) same shall be dealt in rates as under:
“Difference in the cost of materials specified and actually used including taxes plus 20% overhead & profits (on the difference in cost of materials shall be deducted from quoted rates in case of used material cost is lower than specified or paid extra in case of cost of materials are on higher side than specified as the case may be”.
The labour cost if extra or on lower side, shall be dealt similarly.
- 23 The agency shall engage a full time technical staff at site to receive instructions, monitor work as per Air-India's Specifications and all as instructed by EIC.
- 24 All the material required in the work should be taken to the work site from outside the building by erecting hoist / lift. The contractor has to erect the same at his own cost.

I / we hereby declare that I / we have read and understood the additional conditions and here by agree to abide by them.
